for Violin & Violoncello

"REVELATION"

مکاشفه

by

Kaveh Mirhosseini

(in memory of KEREND)

مکاشفه

قطعه ایست برای دوئت ویلن و ویلنسل که بر اساس موسیقی

منطقه گوران (کرمانشاه) و مقامات و نکرهای آیینی ساز تنبور منطقه کرند نوشته شد.

در سفرهایی که به شهر کرند داشتم (نزدیک به ۳۶۰۰ کیلومتر رانندگی «تنها») با یکی از نواخ موسیقی ایران در موسیقی همان منطقه آقای علی کمالی آشنا شدم و این آشناایی و همنشینی، فرصتی داد که با موسیقی آن منطقه بیشتر

مانوس گردم و بر آن شوم تا دست به خلق اثری کاملاً درونی بزنم.

شهر کویندِ غرب (کردی: کرن) مرکز استان دلاهه و از توابع استان کرمانشاه در غرب ایران نزدیک به مرز عراق است. کرند از مهم ترین شهرهای آیین اهل حق میباشد زیرا که مقبرهٔ دو تن از شخصیت‌های مقدس اهل حق بنام حضرات، پیر بنیامین و پیر موسی در کرند قرار دارد که از دیدگاه اهل حق هریک مظہرات یکی از فرشتگان حق میباشند که اهل حق آیین اکثر مردم آن منطقه است.

مکاشفه رجعتی است به خود و کنده و کاوی درونی، در اوایل سفرم در پایین‌ترین حالات روحی خود بودم، گمگشتگی و از خودبیگانگی وجود را فرا گرفته بود. سفری را به تنهایی آغاز کردم و با راهنمایی استادم «محمد رضا درویشی» به کرند حرکت کردم.

این قطعه مکاشفه و کشف و شهودی از من را به صوت کشیده، که در پی یافتن خویشنست است. گمگشته‌ای که سالها به دنبال آن بودم.

در ابتدا حیرت زده به غلیان درونیم مینگرم.

دوم روزانه ای از امید و روشنایی بر من میتابد و جستجویش میکنم.

سوم سرمست و سرخوش از راز-واقعه ای که دیدم حیران میچرخم و

مدهوشم.

“Revelation” is a piece written for Violin and Violoncello

Duet. It was composed based on the music of Guran (Kermanshah) and mystical ranks as well as ritual invocations used while playing Tanbur in the region of Kerend.

In my trips to the city of Kerend (almost 3600 km driving alone), I became acquainted with one of the Iranian musical geniuses of that district, Mr. Ali Kamali. This acquaintance and companionship provided me with an opportunity to get more in touch with the music of that region, and it led me to create a personal and heartfelt musical piece.

Kerend-e Gharb (Kurdish: Kirin) is a city and capital of Dalahu County, in Kermanshah Province close to Iraq's borderline on the west of Iran.

Kerend is of the most important cities for Ahl-Haqq rituals because tombs of two sacred and renowned characters of Ahl Haqq, messieurs Benjamin and Moses are located in Kerend. From the viewpoint of Ahl-Haqq, each of them manifests one of the angels of God. Ahl-Haqq is the most current ritual of the people living in the region.

Revelation is a returning to one's Self and inner toil and Inquiry. In the early days of my trip, I was at the lowest level of my mental condition. I was overwhelmed with self-alienation, and I was lost. I started a journey alone, and with the guidance of my master, Mohammad-Reza Darvishi, I went to Kerend.

This musical piece portrays my revelation, unveiling, and intuition. It seeks to find my Self, a lost one I've been searching for for years.

At first, I watch my inner tumult bewildered.

Secondly, there I find a ray of hope and light and start to find it.

Thirdly, through a secret-event I observed, I began to dance joyfully and unconsciously bewildered.

This musical score consists of four staves of music for string instruments. The top two staves are for Violin (Vln.) and the bottom two are for Cello (Vc.). The music is in B-flat major and includes measures 49, 51, 54, and 58. Measure 49 features eighth-note chords for Vln. and sixteenth-note chords for Vc. with dynamics marked as 'm.v.' and '(ff)'. Measure 51 follows a similar pattern with 'm.v.' and 'ff' dynamics. Measure 54 continues with 'ff' dynamics. Measure 58 concludes the section with 'fff' dynamics for both instruments.
